

2016 Camp Perigot Themes & Fieldtrips

Week 1: June 20-24 Prehistoric Adventure

Description: Archeological discoveries await you! Campers will travel back in time and investigate the history of our planet, and discover all of the life that once existed on earth. Campers will visit the HSU Natural History Museum.

Week 2: June 27-July 1 Renewable Energy & Recycling

Description: Learn ways to help preserve this wonderful planet! With a recycling contest, reusing materials, and gardening, we are sure to pave a better tomorrow. We will visit the HSU SERC Lab and special visitors from will teach us about solar ovens and ways to save energy.

Week 3: July 5-8 Creative Arts

Description: This week, we will get our creative & artistic juices flowing with a number of projects that are sure to inspire the imagination. Campers will visit the Fine Arts Center and/ or the HSU Ceramics studio.

Week 4: July 11-15 Water Wonders

Description: Catch a wave and explore the wonders of our waters! You will learn about unique ocean & river habitats as you embark on a high-seas adventure and learn to help protect our vital water resources. Campers will visit Headwaters Forest reserve, the Mad River Fish Hatchery, or we may have visitors from the HSU Telonicher Lab.

Week 5: July 18-22 Sports Abound

Description: Time to get your body moving & healthy! Campers will experience a variety of sports and different games throughout this week. We will visit E&O Bowl and host visits from local athletes that are sure to inspire!

Week 6: July 25-29 Strategic Thinkers

Description: Play games that challenge the mind and body. Teamwork is the name of the game when you compete at Camp Perigot! Join us this week as we play strategic games that require us to work together for a positive result! Campers will visit the Arcata Ropes Course in the Community Forest.

Week 7: August 1-5 Wildlife Safari

Description: Grab your passport and travel the world; learn about exotic locations and the endangered animals they hold! Animal Ambassadors from the Wildlife Care Center come to visit to show their amazing predatory adaptations and campers learn how to protect the habitats around them and the animals that live there. Campers will visit the Arcata Marsh Interpretive Center.

Week 8: August 8-12 Superstars in the Making

Description: This week, campers will create plays & skits to perform for their peers. Kids will have the opportunity to take on the role of different characters, learn to play & perform on different musical instruments, and let their dramatic spirits soar! We will visit and host visitors from Dell'Arte, as well as camper groups performing a play for friends & families that Friday.

Week 9: August 15-19 Space: The Final Frontier

Description: Learn about what lies beyond our planet and take a trip into space! We will discover our solar system, how it functions, and explore the outer limits of space. Campers will investigate the mysterious and infinite atmosphere into the unknown. Field trip TBA.

Week 10: August 22-26 Camper's Choice!

Description: There is no one theme this week because anything goes! We will incorporate a variety of camper's favorite projects and themes throughout the summer mixed into this final week. Campers will go to the Arcata Pool.
